

Shadia Dahlal Productions and the Belly Dance Superstars presents

# Kami Liddle

In a one day belly dance tribal fusion seminar  
Saturday, June 7, 2008

Kami's style is what she calls a modern fusion of an ancient dance. Although she is primarily a tribal dancer, she pulls from the various styles of belly dance that she has studied, as well as modern, hip hop, jazz, and bhangra dance. Her goal is to always be a student of dance and to constantly expand her repertoire. In addition to performing as a soloist, she collaborates and performs with other dancers. Kami joined the BELLYDANCE SUPERSTARS in 2005 and is featured on the performance DVD Tribal Fusions: Exotic Art Of Tribal Bellydance. Kami currently resides in San Diego and teaches workshops and performs internationally.

Don't miss this rare opportunity to learn from this unique performer!
